

# Coronavirus rules as of 2 May 2022

## Mask requirement (medical mask or FFP2 mask)

- » On public transport
- » In doctors' surgeries
- » In emergency facilities, vehicles and service sites
- » In institutions for the homeless
- » In hospitals, nursing homes, dialysis facilities, integration assistance facilities and outpatient care services

### Exceptions to the mask requirement:

- » Children up to and including 5 years
- » Persons who cannot wear a face covering for health reasons (medical certificate required).

## Test obligation

- » In hospitals, nursing homes, integration assistance facilities and outpatient care services
- » In special educational/counselling centres
- » In facilities for the accommodation of asylum seekers etc.
- » In prisons etc.

## In general, we recommend:

Keep your distance

Observe hygiene rules

Wear medical or FFP2 mask

Use the coronavirus warning app

Ventilate regularly
