

Ordinance of the State Government on Infection Protection Measures against the Spread of the SARS-CoV-2 Virus (Corona Ordinance – “CoronaVO”)¹

of 15 September 2021

(in the version valid from 27 December 2021)

On the basis of Art. 32 in conjunction with Arts. 28 to 31 of the [German] Infection Protection Act (“IfSG”) of 20 July 2000 (Federal Law Gazette I, p. 1045), last amended by Article 12 of the Act of 10 September 2021 (Federal Law Gazette I, p. 4147, 4152), it is decreed:

Part 1 – General Regulations

Art. 1

Objective, Levels, Procedure

(1) The regulation serves to combat the pandemic of the SARS-CoV-2 virus to protect the health of citizens and to avoid overloading the health system.

(2) The following levels shall apply:

1. The Basic Level exists if the figures of Numerals 2, 3 and 4 are not reached or exceeded statewide;
2. The Warning Level is present if the statewide number of new inpatient admissions with COVID-19 patients per 100 000 inhabitants within seven days (seven-day hospitalisation incidence) reaches or exceeds the number

¹ Non-official consolidated version after entry into force of the Ordinance of the State Government amending the Corona Ordinance of 23 December 2021 (emergency promulgation pursuant to Article 4 of the Promulgation Act and retrievable at <http://www.baden-wuerttemberg.de/corona-verordnung>).

of 1.5, or if the statewide utilisation of intensive care beds (“AIB”) with COVID-19 patients reaches or exceeds the number of 250;

3. The Alert Level is present when statewide the seven-day hospitalisation incidence reaches or exceeds the figure of 3 or when statewide the intensive care bed occupancy rate (“AIB”) with COVID-19 patients reaches or exceeds the figure of 390;
4. The Alert Level II is present when statewide the seven-day hospitalisation incidence reaches or exceeds the figure of 6 or when statewide the intensive care bed occupancy rate (“AIB”) with COVID-19 patients reaches or exceeds the number of 450.

The state government reserves the right to take further measures in the event of a particularly high incidence of infection, at the latest when the seven-day hospitalisation incidence reaches or exceeds the figure of 9.

(3) The State Health Office shall announce the occurrence of the respective level by publication on the Internet (www.gesundheitsamt-bw.de/lga/de/fachinformationen/infodienste-newsletter/infektnews/seiten/lagebericht-covid-19); the figures published by the State Health Office shall be authoritative for this purpose. For the respective stage to occur, a relevant figure for a stage must have been reached or exceeded on two consecutive days. The next lower level shall apply if the relevant figure for a level falls below for five consecutive days. The measures of the respective level set out in the Ordinance shall apply from the day following the date of publication.

Art. 2

General Distance and Hygiene Rules

Maintaining a minimum distance of 1.5 meters from other people, adequate hygiene and regular ventilation of enclosed spaces is generally recommended.

Art. 3
Mask Obligation

(1) The obligation to wear a medical mask applies. Inside closed rooms, persons over the age of 18 should wear a respiratory protection mask (FFP2 or comparable); in justified cases, this may be deviated from.

(2) An exception to the mask obligation applies:

1. In private areas,
2. Outdoors, unless it can be assumed that a minimum distance of 1.5 meters from other persons cannot be reliably maintained,
3. For children up to the age of six,
4. For persons who can credibly demonstrate that they cannot or cannot reasonably be expected to wear a medical mask or a respiratory protection mask for health reasons, whereby the credibility of health reasons must generally be substantiated by a medical attestation,
5. At the basic level in the facilities and offers mentioned in Part 2, if access is only permitted to immunised visitors, participants or customers ("2G" option model); this also applies to employees with contact to external persons, if they are immunised and voluntarily present their proof of vaccination or recovery to the employer; Art. 5 Paragraph 1 Sentence 3 and Paragraph 3 shall remain unaffected,
6. If the wearing of a medical mask or a respiratory protection mask is unreasonable or impossible for similarly weighty and unjustifiable reasons in the individual case, or if another protection of at least an equivalent level is available for other persons, or
7. provided that at least equivalent protection is otherwise available for other

persons.

(3) The SARS-CoV-2 Occupational Health and Safety Ordinance of 25 June 2021 (BAnz AT 28 June 2021 V1), as amended from time to time, which was amended last by Article 13 of the Act of 22 November 2021 (Federal Law Gazette I, p. 4906, 4913), shall remain unaffected in workplaces and operating sites.

Art. 4

Immunised Persons

(1) Immunised persons are persons vaccinated against or recovered from COVID-19. Immunised persons shall be permitted access to the facilities or services referred to in Part 2 within the limits of available and permitted capacity and in accordance with the Alert Levels, provided they are asymptomatic and present a proof of vaccination or recovery, insofar as there is also an obligation to present antigen or PCR test evidence for non-immunised persons. For immunised persons who are asymptomatic, there is an obligation to present proof of vaccination or convalescence, even if entry or participation is only permitted for immunised persons.

(1a) To the extent that in Part 2 access to facilities or services specified there is permitted, within available and allowable capacity, only for immunized individuals upon presentation of proof of antigen or PCR testing, this does not apply to

1. Vaccinated persons whose proof of the existence of a complete protective vaccination does not date back more than three months,
2. Recovered persons whose PCR evidence of the presence of a previous infection with the Corona virus does not date back more than three months,
3. Vaccinated persons who have received a booster vaccination, or
4. Persons for whom there is no recommendation by the Standing Commission

on Vaccination regarding a booster vaccination.

(2) For the purposes of Paragraph 1 and 1a,

1. A vaccinated person is a person who is in possession of a vaccination certificate issued to him or her within the meaning of Art. 2 Numeral 3 of the COVID-19 Protective Measures Exemption Ordinance of 8 May 2021 (“SchAusnahmV” - BAnz AT 8 May 2021 V1), amended last by the Ordinance of 10 December 2021 (Federal Law Gazette I, p. 5175),
2. A recovered person is a person who is in possession of a recovery certificate issued to him or her within the meaning of Art. 2 Numeral 5 SchAusnahmV, and
3. An asymptomatic person is a person who currently has no typical symptom or other evidence of infection with the SARS-CoV-2 Corona virus; typical symptoms of an infection with the SARS-CoV-2 Corona virus are shortness of breath, new-onset cough, fever and loss of smell or taste.

Art. 5

Non-Immunised Persons

(1) A non-immunised person is a person who has neither been vaccinated against nor recovered from COVID-19 within the meaning of Art. 4 Paragraph 2. Non-immunised persons shall only be admitted to establishments or services referred to in Part 2, within the limits of available and permitted capacity, in accordance with Part 2, if they are asymptomatic and present a negative antigen or PCR test certificate issued in their name. For asymptomatic persons who have not yet reached the age of 18 or who credibly claim that they cannot be vaccinated for medical reasons or who have not been subject to a vaccination recommendation of the Standing Commission on Vaccination for at least three months, access to the facilities and services mentioned in Part 2 is permitted upon presentation of an antigen or PCR test certificate, provided that access is made conditional upon the

presentation of a test, vaccination or recovery certificate or is only permitted to immunised persons. As a rule, the prima facie case of medical reasons must be made by means of a medical certificate.

(2) Persons who have not yet reached the age of six or have not yet started school shall always be allowed access to the establishments or services referred to in Part 2, within the limits of the available and permitted capacities, provided that they are asymptomatic. Fire brigade, rescue service, police and civil protection personnel are always permitted access to the facilities or services listed in Part 2 as well as to facilities, establishments, offers and activities according to the regulations under Art. 21, insofar as this is necessary for the fulfilment of an emergency mission.

(3) Persons participating as pupils in the regular testing in school attendance and not having reached the age of 18 years yet shall always be allowed access to establishments or services referred to in Part 2 within the available and permitted capacities, provided that they are asymptomatic. This shall apply analogously if access or participation is only permitted for immunised persons. As a rule, credible proof of pupil status shall be provided by means of an appropriate identification document.

(4) A test certificate is a proof within the meaning of Art. 2 Numeral 7 SchAusnahmV regarding a test that

1. Takes place on site under the supervision of the provider who must verify the presence of a test certificate; the test certificate issued by this provider may not be used for admission to other facilities or events,
2. Is carried out within the framework of in-company testing within the meaning of occupational health and safety by personnel who have the necessary training or knowledge and experience to do so, or
3. Was performed or supervised by a service provider in accordance with Art. 6 Paragraph 1 of the Corona Virus Test Ordinance of 21 September 2021 (BAnz AT 21 September 2021 V1) as amended by Article 1 of the Ordinance

of 12 November 2021 (BAnz 12. November 2021 V1).

Testing by laboratory diagnostics using nucleic acid detection (PCR, PoC-PCR or other methods of nucleic acid amplification technology) shall also be permitted. In the case of a rapid antigen test, the underlying test must not be more than 24 hours old, in case of a PCR test, the underlying test must not be more than 48 hours old.

(5) The provisions on access restrictions and prohibitions under Part 2 shall not apply to employed persons within the meaning of Art. 2 Paragraph 2 of the Occupational Health and Safety Act (“ArbSchG”) of 7 August 1996 (Federal Law Gazette I p. 1246), as last amended by Article 12 of the Act of 22 November 2021 (Federal Law Gazette I p. 4906, 4913), unless otherwise provided for in this Ordinance.

Art. 6

Verification of Proof

(1) Providers, organisers or operators shall be obliged to verify the proof of testing, vaccination or recovery that is to be presented.

(2) Carriers of air transport are obliged to monitor compliance with the obligations under Art. 28b Paragraph 5 Sentence 1 IfSG by means of spot checks for evidence.

Art. 6a

Procedures for the Verification of Evidence; Digital Test Procedures

(1) The persons obliged to verify evidence within the meaning of Art. 6 Paragraph 1 shall compare the test, vaccination or recovery certificates to be submitted in accordance with the provisions of Part 2 with the personal data of the person required to provide evidence for the purpose of identity verification, unless the identity is otherwise known. For this purpose, the persons required to provide proof shall present an official identification document.

(2) The persons obliged to submit a test or recovery certificate in accordance with the regulations of Part 2 shall submit it in physical or digital form in the German, English, French, Italian or Spanish language. Vaccination certificates shall be submitted in a form readable by electronic applications (EU-COVID-19 certificate).

(3) Those obliged to verify evidence within the meaning of Art. 6 Paragraph 1 shall verify the vaccination certificates to be submitted in accordance with Paragraph 2 Sentence 2 by means of electronic applications intended for this purpose, which verify the authenticity of the certificate issuer's signature using state of the art methods. In this context, the processing of the personal data contained in the evidence pursuant to Paragraph 2 Sentence 2 may only take place locally in the terminal device used by the person performing the test and only to the extent and for as long as it is necessary to perform a visual inspection of the test result displayed by the application.

(4) The obligation to present a vaccination certificate readable by electronic applications shall not apply to persons who are not citizens of a Member State of the European Union, do not reside within the European Union, and have been vaccinated outside the European Union. These persons may also present a vaccination certificate in physical form for the purpose of access to facilities and offers in accordance with Part 2, provided that it meets the requirements of Art. 4 Paragraph 2 Numeral 1. In those cases, the obligation to verify in accordance with Paragraph 3 shall not apply.

Art. 7

Hygiene Concept

(1) Insofar as a hygiene concept is to be established by means of regulations of this Ordinance or on the basis of this Ordinance, the persons responsible shall take into account the requirements of infection protection in accordance with the specific circumstances of the individual case. The hygiene concept shall describe how the hygiene requirements are to be implemented, in particular

1. The implementation of the distance recommendation, primarily with the presentation of other protective measures if a distance is not observed and the regulation of flows of people,
2. The regular and sufficient ventilation of indoor spaces,
3. The regular cleaning of surfaces and objects,
4. Timely and comprehensible information about the applicable hygiene requirements, and
5. The posting of a clearly visible notice prior to entry if the “2G” option model is used.

(2) At the request of the competent authority, those responsible shall submit the hygiene concept and provide information on its implementation.

Art. 8

Data Processing

(1) Insofar as data are to be processed with reference to this provision as a result of regulations of this Ordinance or on the basis of this Ordinance, the first name and surname, address, date and period of attendance and, if available, the telephone number (attendance documentation) may be collected and stored by those obliged to process data from those present, in particular visitors, users or participants, solely for the purpose of providing information to the Health Department or the local police authority in accordance with Arts. 16, 25 IfSG. A new survey is not required if the data are already available. Art. 28a Paragraph 4 Sentences 2 to 7 IfSG shall remain unaffected.

(2) Those obliged to process data must exclude persons who refuse, in whole or in part, the collection of their contact data in accordance with Paragraph 1 Sentence 1 from visiting or using the facility or from participating in the event.

(3) Where attendees provide contact details pursuant to Paragraph 1, Sentence 1, to those obliged to process the data, they must provide accurate information.

(4) The collection and storage may also be carried out in an end-to-end encrypted form that is not readable for the party obliged to process the data in accordance with the state of the art. Where data processing is carried out in this way, Paragraph 2 shall apply, provided that the person obliged to process the data need only ensure that the presence of each person is recorded and stored by the digital application where the digital application requires the input of the types of data referred to in Paragraph 1.

(5) The obligation to process data pursuant to Paragraph 1 shall not apply in respect of those present who accept the offer of the person obliged to process data to use a digital application which, without the storage of personal data by the person obliged to process data, enables the notification of the users of this application in the event of a positive test result in the case of another person present at the same time. In this case, the person obliged to process the data shall ensure that the digital application is used properly, in particular that the presence of each person is recorded and stored by the digital application.

(6) If an obligation to keep attendance records is provided for under Paragraphs 4 or 5, an analogous collection of contact details of the data subject shall alternatively be made possible.

Part 2 – Special Regulations

Art. 9

Private Gatherings and Private Events

(1) Private gatherings and private events shall be permitted for non-immunised persons

1. Without any restrictions at the Basic Level,
2. Only with members of a household and five other persons at the Warning Level,
3. Only with members of one household and two other persons of another household at the Alert Level.

Immunised persons as well as persons who have not yet reached the age of 14 or who cannot be vaccinated for medical reasons or for whom there is no vaccination recommendation by the Standing Commission on Vaccination shall not be taken into account when determining the number of persons and the households permitted under Sentence 1.

(2) At Alert Level II, private gatherings and private events attended by a non-immunised person are only permitted with members of one household and two persons from another household. Private gatherings and private events of immunised persons as well as persons who cannot be vaccinated for medical reasons or for whom there is no vaccination recommendation by the Standing Commission on Vaccination are permitted in Alert Level II with a maximum of ten persons indoors and with a maximum of 50 persons outdoors. Persons up to the age of 14 are not taken into account when determining the number of persons and households permitted according to Sentences 1 and 2.

(3) Couples who do not live together are considered one household.

(4) In cases of social hardship or meetings or events for similarly weighty and unavoidable purposes, the restrictions referred to in Paragraphs 1 and 2 shall not apply.

Art. 10

Events

(1) Events such as theatre, opera and concert performances, film screenings, city tours, information events, company and club celebrations as well as sport events and conventions shall be permitted

1. At the Basic Level, whereby non-immunised visitors are only permitted to enter enclosed areas upon presentation of proof of antigen or PCR testing; this also applies to outdoor events with 5,000 or more visitors or to events where a minimum distance of 1.5 metres cannot be reliably maintained,
2. At the Warning Level, with non-immunised visitors only permitted to enter enclosed areas upon presentation of proof of PCR testing; at outdoor events, non-immunised persons are only allowed entry upon presentation of an antigen or PCR test certificate,
3. At the Alert Level, whereby non-immunised visitors are not permitted entry,
4. At Alert Level II, with access only permitted to immunised visitors upon presentation of antigen or PCR test evidence.

(2) Events within the meaning of Paragraph 1 are permitted:

1. At the Basic and Warning Levels up to and including 5,000 visitors, with 100 % of the permitted capacity, for the part exceeding 5,000 visitors with 50 % of this capacity; there is an upper limit of 25,000 visitors; the upper limit of persons and the capacity restriction do not apply if only immunised visitors are permitted to enter,
2. At the Alert Level, with a maximum of 50 % of the permitted capacity; there is an upper limit of 25,000 visitors,
3. At the Alert Level II, with a maximum of 50 % of the permitted capacity;

there is an upper limit of 500 visitors.

(3) By way of derogation from Art. 7 Paragraph 2, for events exceeding 5,000 visitors, the hygiene concept must be submitted to the locally competent public health authority. Insofar as the health authority identifies deficiencies, the hygiene concept shall be adapted immediately in accordance with the requirements of the health authority.

(4) Notwithstanding Paragraph 1, the following events are permitted without restrictions, whereby participants are exempt from the obligation to present proof of testing and the prohibition of admission in accordance with Paragraph 1 Numerals 3 and 4:

1. Committee meetings of legal entities, companies and comparable associations; this does not apply at the Alert Levels where non-immunised participants have to provide antigen or PCR test evidence,
2. Events that serve public safety and order or social welfare,
3. Events in the area of child and youth welfare services that are carried out within the framework of services or measures according to Arts. 14, 27 to 35a, 41 to 42e with the exception of Art. 42a Paragraph 3a SGB VIII, and
4. Events for similarly weighty and irrefutable reasons.

(5) Anyone holding an event must prepare a hygiene concept and carry out data processing. An organiser shall assume overall responsibility for the organisation. Implementation is only permitted with controlled access for visitors. Employees and other contributors as well as athletes shall not be taken into account when determining number of visitors.

(6) Notwithstanding Paragraphs 1 and 5, events and meetings of the organs, parts of organs and other bodies of the legislative, judicial and executive branches as well as of self-government, as well as nomination and election campaign events and the

collection of support signatures required for municipal elections, petitions for referendums, petitions for motions, citizens' petitions, residents' petitions and residents' meetings are permitted without the preparation of a hygiene concept and without the implementation of data processing. Non-immunised participants are exempt from the obligation to present proof of testing and the prohibition of access according to Paragraph 1 Numerals 3 and 4, with non-immunised participants of events and meetings in the area of self-administration in the alert levels only being allowed access after presentation of proof of antigen or PCR testing. Non-immunised visitors to events and meetings within the meaning of Sentence 1 are not required to present proof of testing at the Basic and Warning Levels; at the Alert Levels, by way of derogation from Paragraph 1 Numerals 3 and 4, they are permitted entry after presenting proof of antigen or PCR testing. The obligation to wear a medical mask shall only apply to visitors of these events and for voters in municipal elections and referenda.

(7) An event within the meaning of this provision is a temporary and localised and planned event with a defined objective or intention under the responsibility of an organiser, a person, organisation or institution in which a group of people specifically participates.

Art. 11

Christmas Markets, Town and Folk Festivals

(1) Christmas markets, town and folk festivals are

1. Permitted at the Basic and Warning Levels, with non-immunised visitors required to present an antigen or PCR test certificate,
2. At the Alert Level, only permitted for immunised visitors,
3. Prohibited at Alert Level II.

When staying on the grounds of the Christmas market, town and folk festival or at

the stands, it is compulsory to wear a medical mask; the mask may be temporarily removed when consuming food; otherwise Art. 3 Paragraph 2 remains unaffected.

(2) The organiser shall assume overall responsibility for the organisation and, by means of suitable measures at the Alert Level, ensure a capacity limit of 50 % of the average daily number of visitors to be expected according to common empirical values, taking into account the local conditions. In the case of Paragraph 1 Sentence 1, a hygiene concept shall be drawn up and data processing shall be carried out.

Art. 12

Meetings under Article 8 of the Basic Law

(1) Gatherings intended to serve the exercise of the fundamental right of freedom of assembly under Article 8 of the Basic Law shall be permitted. The competent authorities may impose conditions, for example on compliance with hygiene requirements.

(2) Gatherings may be prohibited if protection against infection cannot be achieved by other means, in particular by imposing conditions.

Art. 13

Events Organised by Religious, Faith and Non-Confessional Organisations as well as Events in the Case of Death

(1) Events organised by churches as well as religious and faith communities for the practice of religion and corresponding events of non-confessional organisations shall be permitted.

(2) Burials, urn burials and prayers for the dead are permitted.

(3) Anyone holding an event under Paragraphs 1 or 2 shall establish a hygiene

concept in accordance with Art. 7 and perform data processing in accordance with Art. 8. At the Alert Levels, a distance of 1.5 metres must be maintained from other persons in the cases referred to in Paragraphs 1 or 2, unless compliance with the minimum distance is unreasonable in an individual case.

Art. 14

Cultural, Recreational and Other Establishments, and Transportation

(1) The operation of cultural institutions such as galleries, museums, memorials, archives, libraries and similar institutions, sports facilities, baths and bathing lakes with controlled access, saunas and similar establishments, river and lake navigation in excursion traffic, tourist bus, rail and cableway transport, ski lifts and similar establishments, amusement parks, zoological and botanical gardens, high ropes courses and similar establishments, shall be permitted to the public

1. At the Basic Level, whereby non-immunised visitors are only allowed access to enclosed areas upon presentation of proof of antigen or PCR testing,
2. At the Warning Level, with non-immunised visitors only permitted to enter enclosed areas upon presentation of proof of PCR testing; outdoors, non-immunised visitors are only allowed entry after presenting proof of antigen or PCR testing,
3. At the Alert Level, whereby non-immunised visitors are not permitted entry,
4. In Alert Level II, whereby access shall only be permitted to immunised visitors upon presentation of proof of antigen or PCR testing.

The collection and return of media in libraries and archives is possible without restrictions. Notwithstanding Sentence 1, access to the state libraries and archives is permitted to immunised visitors in Alert Level II without presentation of an antigen or PCR test certificate and to non-immunised visitors in the Alert Levels after presentation of a PCR test certificate. Notwithstanding Sentence 1, non-immunised

visitors are permitted access for the practice of sports for official purposes and rehabilitation sports upon presentation of an antigen or PCR test certificate; the practice of sports outside of sports facilities is governed by Art. 9.

(1a) The operation of trade fairs and exhibitions shall be

1. Permitted at the Basic Level, whereby non-immunised visitors are only permitted to enter enclosed areas upon presentation of proof of antigen or PCR testing,
2. Permitted at the Warning Level, whereby non-immunised visitors are only permitted to enter enclosed rooms upon presentation of a PCR test certificate; outdoors, non-immunised visitors are only permitted to enter upon presentation of an antigen or PCR test certificate,
3. Permitted at the Alert level, with non-immunised visitors not being permitted to enter,
4. Prohibited at Alert Level II.

(2) In saunas, regular exchange of the room air must be ensured. It is prohibited to disperse air in the course of infusions. In the Basic and Warning Levels, access to facilities with aerosol formation, in particular steam baths, steam saunas and warm air rooms, is only permitted to immunised visitors; the exemptions of Art. 5 Paragraph 1 Sentence 3 and Paragraph 3 do not apply; in the Alert Levels, the operation is prohibited.

(3) The operation of prostitution establishments, brothels and similar establishments as well as any other exercise of the prostitution trade within the meaning of Art. 2 Paragraph 3 of the Prostitution Protection Act of 21 October 2016 (Federal Law Gazette I, p. 2372), as last amended by Art. 5 Paragraph 1 of the Act of 9 March 2021 (Federal Law Gazette I, p. 327), shall be permitted for the general public

1. At the Basic Level, whereby non-immunised visitors are only allowed entry upon presentation of proof of antigen or PCR testing,
2. At the Warning Level, whereby non-immunised visitors are only allowed entry upon presentation of proof of PCR testing,
3. At the Alert Level, whereby non-immunised visitors are not permitted entry,
4. At Alert Level II, whereby entry is only permitted to immunised visitors upon presentation of negative antigen or PCR test evidence.

(4) The operation of discotheques, clubs and other establishments that are operated in a club-like manner shall, for the general public,

1. Be permitted at the Basic Level, whereby non-immunised visitors are only allowed access to enclosed areas upon presentation of proof of PCR testing,
2. Be permitted at the Warning and Alert Levels, whereby non-immunised visitors are not permitted entry,
3. Be prohibited at Alert Level II.

The exemptions of Art. 5 Paragraph 1 Sentence 3 and Paragraph 3 shall not apply.

(5) Any person operating an establishment under Paragraphs 1 to 4 shall draw up a hygiene concept and carry out data processing; data processing is not required in libraries and archives when collecting and returning media.

Art. 15

Extracurricular and Vocational Education

(1) Extracurricular and adult education offerings such as adult education courses,

offers by music, art and youth art schools and similar offers shall be permitted

1. At the Basic Level, whereby non-immunised visitors are only allowed access to enclosed areas upon presentation of proof of antigen or PCR testing,
2. At the Warning Level, with non-immunised visitors only permitted to enter enclosed areas upon presentation of proof of PCR testing; outdoors, non-immunised visitors are only allowed entry after presenting proof of antigen or PCR testing,
3. At the Alert Level, whereby non-immunised visitors are not permitted entry,
4. At Alert Level II, whereby entry is only permitted to immunised visitors upon presentation of negative antigen or PCR test evidence.

(2) Events of vocational training pursuant to the Vocational Training Act or the Handicrafts Code as well as examinations and examination preparations, the implementation of labour market policy measures and other further and continuing vocational training, of language and integration courses, the conduct of practical and theoretical driving, boating and flying school training and of practical and theoretical examinations, as well as the conduct of postgraduate seminars pursuant to Art. 2b of the Road Traffic Act ("StVG") and driving aptitude seminars pursuant to Art. 4a of the StVG and comparable offers shall be permitted at the Basic Level without the restrictions of Paragraph 1. At the Warning and Alert Levels, visitors shall only be allowed access to enclosed areas upon presentation of proof of antigen or PCR testing; for events lasting several days, a current antigen or PCR test certificate shall be submitted every three days. For examinations, proof of testing according to Sentence 2 is not required if a minimum distance of 1.5 metres is maintained at all times and if there is spatial separation from other participants who have provided proof of testing, vaccination or recovery. The obligation to wear a medical mask does not apply when implementing the "2G" option model or if a minimum distance of 1.5 metres from other persons may be reliably maintained or access to an exam is only permitted after presentation of proof of testing, vaccination or recovery.

(3) Nursing schools, schools for health care professions and specialised schools for social work under the departmental responsibility of the Ministry of Social Affairs, further education and training institutions for nursing and health care professions, the State Fire Brigade School, as well as schools for activities in the emergency services and schools under the departmental responsibility of the Ministry of Rural Areas as well as the Ministry of Finances shall offer two antigen tests each school week to the pupils involved in classroom teaching and to the staff working at the institutions in classroom teaching. The time and organisation of tests to be carried out shall be determined by the school administration. Admission for non-immunised persons shall only be permitted upon presentation of proof of testing. Proof of testing shall be deemed to have been provided if the person concerned has taken part in the testing and has tested negative; this shall also apply if, at the school, the testing is not carried out before or immediately after entering the school premises but at a later point in the school day. The proof must not be provided

1. For participation in intermediate and final examinations or in performance assessments required for the award of grades,
2. For entering the school premises for a short period of time, insofar as this is absolutely necessary for participation in the distance learning course, or
3. For entry by service providers that is required at short notice for the operation of the school or takes place outside operating hours.

For intermediate and final examinations, the school administration shall take appropriate measures to separate persons without a certificate from the other examination candidates.

(4) Anyone who provides extracurricular and vocational education and training shall draw up a hygiene concept and carry out data processing.

Art. 16

Gastronomy, Accommodation and Entertainment Venues

(1) The operation of gastronomy, entertainment venues and similar establishments shall be permitted

1. At the Basic Level, whereby non-immunised visitors are only allowed access to enclosed areas upon presentation of proof of antigen or PCR testing,
2. At the Warning Level, with non-immunised visitors only permitted to enter enclosed areas upon presentation of proof of PCR testing and outdoors, non-immunised visitors are only allowed entry after presenting proof of antigen or PCR testing,
3. At the Alert Level, with non-immunised persons not permitted to enter enclosed spaces and only permitted outdoors upon presentation of proof of PCR testing,
4. At Alert Level II, whereby entry is only permitted to immunised visitors upon presentation of negative antigen or PCR test evidence; by way of derogation from Arts. 9 to 12 of the Restaurant Ordinance of 18 February 1991 (Federal Law Gazette, p. 195, ber. 1992 p. 227), as last amended by Article 117 of the Ordinance of 23 February 2017 (Federal Law Gazette, p. 99, 112, ber. p. 273), the curfew shall begin at 10:30 p.m. and end at 5 a.m. (curfew).

On New Year's Eve from 31 December 2021 to 1 January 2022, a curfew between 1 a.m. and 5 a.m. shall apply in derogation of Sentence 1 Numeral 4. Over-the-counter sales and the collection of drinks and food exclusively for take-away are possible without any access restriction. For private gatherings in catering establishments, the provisions of Art. 9 shall apply to the participating persons in addition to the access regulations of Sentence 1.

(2) The operation of canteens, cafeterias at universities and academies under the Academies Act as well as company canteens within the meaning of Art. 25

Paragraph 1 of the Restaurants Act (“GastG”) in the version published on 20 November 1998 (Federal Law Gazette I, p. 3418), as last amended by Article 14 of the Act of 10 March 2017 (Federal Law Gazette I, p. 420), shall be permitted for use by members of the respective institution as well as for external immunised persons; for non-immunised external persons

1. Access to enclosed areas shall only be permitted, at the Basic Level, upon presentation of proof of antigen or PCR testing,
2. Access to enclosed areas shall only be permitted, at the Warning Level, upon presentation of proof of PCR testing and outdoors, only after presenting proof of antigen or PCR testing,
3. At the Alert Level, access to closed rooms is not allowed and only permitted outdoors upon presentation of proof of PCR testing,
4. At Alert Level II, access is not permitted; immunised external persons shall, by way of derogation from Half-Sentence 1, present an antigen or PCR test certificate.

Over-the-counter sales and the collection of drinks and food exclusively for take-away are possible without restriction.

(3) The operation of accommodation businesses and similar establishments shall be permitted

1. At the Basic and Warning Levels, whereby non-immunised visitors are only permitted entry upon presentation of proof of antigen or PCR testing,
2. At the Alert Levels, whereby non-immunised persons are not permitted entry; in the case of necessary business or official overnight stays or in special cases of hardship, non-immunised persons are permitted entry upon presentation of an antigen or PCR test certificate.

An up-to-date antigen or PCR test certificate must be submitted again every three days. The use of recreational facilities and gastronomic establishments by accommodation guests shall be governed by Art. 14 Paragraphs 1 to 4 and Art. 16 Paragraph 1.

(4) Anyone operating an establishment in accordance with Paragraphs 1 to 3 shall draw up a hygiene concept; in the case of over-the-counter sales and the serving of drinks and food exclusively for take-away, data processing is not required.

Art. 17

Trade and Service Companies

(1) The operation of retail trade, shops and markets that serve exclusively the sale of goods to end consumers shall be permitted

1. At the Basic and Warning Levels,
2. At the Alert Level, whereby non-immunised visitors are only permitted entry upon presentation of proof of antigen or PCR testing,
3. At Alert Level II, whereby access is not permitted to non-immunised persons.

Exempted from the restrictions of Sentence 1 Numerals 2 and 3 are shops and markets that serve the basic provision. Pick-up offers and delivery services including those of the online trade shall be permitted without restriction. Basic provisions include

1. Food retailers, including weekly markets, beverage retailers, direct marketers, butchers, bakeries, confectioners and food banks,
2. Pharmacies, health food stores, drugstores, medical supply stores, orthopaedic shoe technicians, hearing aid acousticians, opticians, baby

shops,

3. Petrol stations,
4. Travel and customer centres of the public transport,
5. Newspaper and magazine sales, post offices, parcel services, banks and savings banks,
6. Dry cleaners and launderettes,
7. DIY and Raiffeisen markets, flower shops, market gardens, garden markets, nurseries as well as sales outlets for Christmas trees, animal feed and pet supplies.

(2) The provision of services close to the body shall be permitted

1. At the Basic and Warning Levels, whereby non-immunised visitors are only permitted entry upon presentation of proof of antigen or PCR testing,
2. At the Alert Level, whereby non-immunised visitors are not permitted entry,
3. At Alert Level II, whereby entry is only permitted for immunised persons upon presentation of proof of antigen or PCR test.

For the use of health-related services, Art. 28b Paragraph 2 IfSG remains unaffected. In order to use hairdressing services, access is permitted, notwithstanding Sentence 1 Numerals 2 and 3, for non-immunised persons upon presentation of a PCR test certificate and, notwithstanding Sentence 1 Numeral 3, for immunised persons upon presentation of a vaccination certificate or proof of recovery.

(3) Anyone operating a retail establishment, a shop, a market in the sense of Paragraph 1, a commercial or service business with customer traffic or a similar

establishment shall draw up a hygiene concept. Businesses for the provision of services close to the body shall perform data processing and draw up a hygiene concept.

Art. 17a

Local Restrictions on Leaving the Home

(1) If the competent public health authority in a municipality or administrative district, in the course of a regular inspection during the period of application of the measures of Alert Level II, detects a number of new infections with the Corona virus per 100,000 inhabitants within seven days (“seven-day incidence”) of at least 500 for two consecutive days, it shall immediately make this known in the customary manner in the locality. The measures in Paragraph 2 shall apply from the day following the date of the notice.

(2) In the cases referred to in Paragraph 1, non-immunised persons shall only be permitted to stay outside the home or other accommodation between 9 p.m. and 5 a.m. of the following day if the following valid reasons exist:

1. Averting a concrete danger to life, limb and property,
2. Attendance at events within the meaning of Art. 10 Paragraphs 4 and 6,
3. Gatherings within the meaning of Art. 12,
4. Events organised by religious and ideological communities within the framework of Art. 13 Paragraphs 1 and 2,
5. Exercise of professional and official activities, including professional, official or academic training that cannot be postponed, labour market policy measures as well as the participation of volunteers in exercises and operations of the fire brigade, disaster control and rescue service,

6. Visiting spouses, civil partners and partners in a non-marital partnership in their home or other accommodation,
7. Use of medical, nursing, therapeutic and veterinary services,
8. Accompaniment and care of persons in need of support and minors, in particular the exercise of custody and rights of access in the respective private sphere,
9. Accompaniment and care of dying persons,
10. For physical activity carried out outdoors, but not in sports facilities, and performed alone,
11. Acts that cannot be postponed for the care of animals,
12. Other comparable weighty reasons.

The curfew restrictions do not apply to the persons named in Art. 5 Paragraph 1 Sentence 3, Paragraphs 2 and 3.

(3) If the competent public health authority in a town or administrative district, in the course of an inspection to be carried out at regular intervals during the period in which the measures referred to in Paragraph 2 are in force, detects a seven-day incidence of less than 500 for five consecutive days, it shall immediately publicise the fact that the incidence has fallen below this level. The legal effects of the measures referred to in Paragraph 2 shall cease to have effect one day after the date of publication.

Art. 17b

Local Individual Regulations

(1) At Alert Level II, the serving and consumption of alcohol shall be prohibited in

traffic and meeting areas to be determined by the competent authority in city centres or other public places where people are either in close proximity or not only temporarily present.

(2) Paragraph 1 shall apply mutatis mutandis to the burning of pyrotechnic articles within the meaning of Art. 23 Paragraph 2 of the First Ordinance to the Explosives Act in the version promulgated on 31 January 1991 (Federal Law Gazette I, p. 169), as last amended by Article 1 of the Ordinance of 18 December 2020 (BAZ AT 21 December 2020 V1).

(3) Between 3 p.m. on 31 December 2021 and 9 a.m. on 1 January 2022, it shall be prohibited for groups of more than ten persons to remain in traffic and meeting areas to be determined by the competent authority in towns and municipalities or other public places where people are present either in confined spaces or not only temporarily. Arts. 12 and 13 shall remain unaffected.

Art. 17c

Access to Municipal Administrations

(Valid as of 1 January 2022)

At the Alert Levels, non-immunised visitors are only allowed to enter administrative buildings of municipal administrations upon the presentation of proof of an antigen or PCR test. The head of the authority may allow exceptions from the access regulation of Sentence 1 for certain administrative areas or certain administrative services as well as for the collection and return of documents.

Art. 18

Testing of the Self-Employed

(1) Non-immunised self-employed persons who are not employers in the sense of Art. 2 Paragraph 3 ArbSchG and for whom physical contact with third parties cannot be ruled out are obliged to carry out and document tests every working day. The

evidence of the tests shall be kept for a period of 4 weeks and shall be presented to the competent authority upon request.

Art. 19

Slaughterhouses and the Use of Seasonal Workers in Agriculture

(1) The non-immunised employees of

1. Slaughterhouses, cutting plants, meat processing plants, game processing plants and other businesses producing and handling foodstuffs made from unprocessed meat with more than 30 employees, insofar as they are employed in the slaughtering and cutting sector, and
2. Agricultural businesses, including special crop businesses, with more than ten seasonal workers, in the period of the employment of seasonal workers

shall, before they begin work for the first time, present a proof of antigen or PCR testing. The test proofs shall be submitted to the operator upon request. The organisation and financing of the testing is the responsibility of the operator, unless otherwise guaranteed. On agricultural operations, the obligation to wear a medical mask does not apply outside enclosed spaces.

(2) Anyone operating establishments referred to in Paragraph 1 Sentence 1 shall draw up a hygiene concept. Notwithstanding Art. 7 Paragraph 2, the hygiene concept shall be submitted to the locally competent health authority. Insofar as these deficiencies are identified, the hygiene concept is to be adjusted immediately based on the specifications of the health authority.

(3) At the request of the operator, the locally responsible health authority may permit exemptions from the testing obligations under Paragraph 1 for employees of a work area if the operator presents reasons within the framework of a specific hygiene concept that make a deviation appear justifiable.

(4) The operator shall carry out data processing of the data of employees and visitors to the premises. In the case of Paragraph 1 Sentence 1 Numeral 2, only the data of employees shall be processed.

Part 3 - Final Regulations

Art. 20

Further Measures, Individual Case Decisions, Model Projects

(1) In individual cases, the responsible authorities may allow deviations from the requirements set out by or on the basis of this Ordinance for an important reason. This Ordinance and Ordinances adopted pursuant to this Ordinance shall be without prejudice to the right of the competent authorities to adopt further-reaching measures to protect against infection.

(2) The Ministry of Social Affairs may issue instructions to the competent authorities within the framework of official and technical supervision for supplementary regional measures in the event of an exceptionally high incidence of infection (hot-spot strategy).

(3) In agreement with the Ministry of Social Affairs, the responsible authorities may approve model projects. Insofar as model projects have proven successful in the assessment of the Ministry of Social Affairs, it may approve further comparable projects upon application.

Art. 21

Statutory Order Authorisations for Institutions, Companies, Offers and Activities

(1) Pursuant to Art. 32 Sentence 2 IfSG, the Ministry of Education and Cultural Affairs is authorised to stipulate through statutory order for

7. Nursing schools, schools for health care professions and technical schools for social services within its departmental responsibility,
8. Further education and training centres for the nursing and health care

professions, as well as

9. Schools for rescue service work

to stipulate the conditions and requirements, in particular hygiene requirements, testing and masking obligations and access prohibitions for the protection against any infection with Corona virus.

(4) Pursuant to Art. 32 Sentence 2 IfSG, the Ministry of Justice shall be authorised, through statutory orders for the protection against any infection with the Corona virus, to stipulate

1. For the operation of correctional facilities, the conditions and requirements, in particular hygiene requirements, testing and masking obligations and access prohibitions,
2. For the operation of state facilities for initial admission, conditions and requirements, in particular hygiene requirements, testing and masking obligations and access prohibitions and
3. The separation of persons who are newly admitted to a state facility for initial admission or who are admitted after a longer period of absence.

(5) Pursuant to Art. 32 Sentence 2 IfSG, the Ministry of Education and Cultural Affairs and the Ministry of Social Affairs are authorised, through joint statutory orders

1. For the operation of public and private sports facilities and sports grounds, gyms and yoga studios and for the organisation of sports competitions, as well as for the operation of dance and ballet schools and similar establishments,
2. For the operation of bathing facilities including saunas and bathing lakes with controlled access, as well as

3. For the operation of music schools, art schools and youth art schools and similar institutions

to stipulate conditions and requirements, in particular hygiene requirements, testing and masking obligations and access prohibitions for the protection against any infection with the Corona virus.

(6) Pursuant to Art. 32 Sentence 2 IfSG, the Ministry of Transport and the Ministry of Social Affairs are authorised, through joint statutory orders for

1. Public and tourist passenger transport, including restaurant services within the meaning of Art. 25 Paragraph 1 Sentence 2 GastG, and
2. Theoretical and practical driving, boat and flight training, theoretical and practical examinations as well as the practical training contents of the initial and further training of officially recognised experts and examiners for motor vehicle, boat and air traffic, as well as other offers of driving schools that result directly from the Driving Licence Ordinance or the Road Traffic Act,

to stipulate conditions and requirements, in particular hygiene requirements, testing and masking obligations and access prohibitions for the protection against any infection with Corona virus.

(7) Pursuant to Art. 32 Sentence 2 IfSG, the Ministry of Economics and the Ministry of Social Affairs are authorised, through joint statutory orders for

1. The retail trade,
2. The accommodation sector,
3. The hotel and restaurant industry, including catering establishments within the meaning of Art. 25 Paragraph 1 Sentence 1 and Paragraph 2 GastG,
4. Trade fairs, exhibitions as well as conventions,

5. Industrial art,
6. Hairdressing, massage, cosmetic, tanning, nail, tattoo and piercing studios, medical and non-medical foot care establishments,
7. Places of entertainment,
8. Theme parks, including those that are operated as an itinerant trade within the meaning of Art. 55 Paragraph 1 of the Industrial Code (“GewO”), and
9. Markets within the meaning of Arts. 66 to 68 GewO

to stipulate conditions and requirements, in particular hygiene requirements, testing and masking obligations and access prohibitions for the protection against any infection with Corona virus.

(8) Pursuant to Art. 32 Sentence 2 IfSG, the Ministry of Social Affairs is authorised to stipulate through statutory order conditions and requirements, in particular hygiene requirements, testing and masking obligations and access prohibitions in agreement with the respective competent ministry for other institutions, establishments, offerings and activities not regulated separately in this Ordinance for the protection against any infection with the Corona virus.

Art. 22

Ordinance Authorisations on Separation Obligations

Pursuant to Art. 32 Sentence 2 IfSG, the Ministry of Social Affairs shall be authorised to issue by statutory order regulations on separation obligations and related additional obligations and measures in order to combat the Corona virus, in particular

1. The separation of sick persons, persons suspected of being sick, persons suspected of being infected and carriers, in a suitable manner in accordance with Art. 30 Paragraph 1 Sentence 2 IfSG,

2. The obligation of household members of contact persons of persons tested positive for the Corona virus as well as of persons tested positive by means of a self-test to undergo an antigen or PCR test, according to Art. 28 Paragraph 1 Sentence 1 IfSG,

as well as to prescribe exceptions to this and conditions including further orders to this effect.

Art. 23

Ordinance Authorisations on the Processing of Personal Data

Pursuant to Art. 32 Sentence 2 IfSG, the Ministry of Social Affairs and the Ministry of the Interior are authorised to regulate by means of a joint statutory order further details on the processing of personal data between health authorities, local police authorities and the police enforcement service, insofar as this is necessary to protect against infection

1. For the protection of law enforcement officers as well as the staff of local police forces against infection during operations,
2. For the ordering, implementation, monitoring and execution of measures in accordance with the [German] Infection Protection Act,
3. For the prosecution of criminal offences and administrative offences according to the [German] Infection Protection Act and on the basis of statutory orders issued on the basis thereof, and
4. To examine the capacity for detention or placement and the need for isolated placement in detention centres and prisons.

Art. 24
